

*However, we know of cases when the starting of a new life becomes the cause of many difficulties for some families or single mothers. Let us help those in need to prevent the tragedy of infanticide. Financial or health problems must not push any mother to kill her own child.*

Cardinal Karol Wojtyła, 1974

---

*It is the law of nature: there should be a room for every woman in labour, there should be a roof over her head.*

Cardinal Karol Wojtyła, 1969
